Mark:

We registered 146 operations during FFY 2013. See attached spreadsheet. Area within yellow lines (including the yellow lines) were registered during the period October 1, 2012 through September 30, 2013.

If you have any questions, please contact me.

Gary,

It's been a while since we've talked and I hope you are doing well.

I am trying to pull together information for end of the year reporting while Ashley is out, and I am trying to determine how many CAFOs were registered under MD's CAFO GP this fiscal year (10/1/12-9/30/13). I know that MDE provided EPA with a list of CAFOs and their permit status (as of 3/31/13) in April as part of the 106 Grant semi-annual reporting process. It is my understanding that MDE will be submitting an updated list shortly with the next 106 semi-annual report. I'm not sure when MD will be submitting that list of CAFOs, but if you can send me either the list or simply the number of CAFOs registered from 10/1/12-9/30/13, I would greatly appreciate it.

Thanks for your help,

Mark Zolandz
